

AUTHOR/INSPIRATIONAL SPEAKER/EDUCATOR

# GLORIA THOMAS ANDERSON

Regardless of our personal challenges or successes in life, we all need encouragement and inspiration at some point along our journey. I am grateful to God for every opportunity to share empowering words of wisdom that inspire and encourage your spirit and soul through the ministry of Heart Tones.

Two words unanimously surfaced from a recent survey describing Gloria—**inspirational and encouraging**. That may be more than a coincidence! For more than 30 years, her personal motto has remained the same:

*“Inspiring hearts. Encouraging souls”.*

**Heart Tones™** began in 1986 with Gloria's first line of authentic greeting cards, touching thousands of souls with heart-felt messages of inspiration, encouragement, and hope. Today, **Heart Tones™** has expanded to include personal and professional development workshops, an online monthly blog, and a variety of books and resources to help others in their daily lives.

**Heart Tones™** offers three (3) life-empowering workshops/seminars:

- **Let's Talk About It:** Advance Care Planning & Healthcare Decision-making on End-of-Life Issues
- **Grief, Loss, & G.R.A.C.E.:** Five (5) Healing Steps for the Grieving Heart
- **Passion For Your Purpose:** Seven (7) Principles to Know to Discover and Uncover Your God-given Purpose

**Dr. Gloria Thomas Anderson** brings a wealth of knowledge, expertise, and experience to serve your needs in these areas. She holds an Interdisciplinary PhD in Education with an emphasis on Curriculum and Instruction and a co-discipline in Educational Leadership, Policy, and Foundations. She also is a licensed, master's social worker (LMSW) and teaches as an Assistant Professor at the university-level.

Gloria's work is highly respected nationally by healthcare organizations, hospices, churches, and communities. She has provided educational presentations to hundreds of groups throughout the U.S. and Canada. She has presented her research and work internationally and nationally at conferences and other professional events. Gloria has also been prominently featured in several national telecast and training DVDs and has also been a guest on various television/radio shows, including NPR affiliate, KCUR, KCPT, and e-Care Diary.

Her patient-education booklet, *"The African-American Spiritual and Ethical Guide to End-of-Life Care: What Y'all Gon' Do with Me?"* continues to help many individuals and families better understand factors that influence advance care decision-making and navigate healthcare systems. Her research has most recently been cited in the 2015 Institute of Medicine *Dying in America Report* and featured in numerous healthcare news articles and media sources.
